OVERVIEW

Glitter Bay 302 Always Summer has been transformed into a one bedroom superior suite with over 1100 sq ft of living space including the balcony space of a two bedroom apartment with a great ocean view.

The air conditioned master bedroom has a view of the ocean – what a wonderful way to wake every morning when you are here. The ensuite bathroom is sleek and modern with a double vanity and glass enclosed step in shower with both a rain head shower and a hand held shower hose. The bedroom, with muted blues and greens reflecting the colours of the ocean leads out to a spacious balcony with breathtaking views of the ocean. The muted sand tones of the furnishing brings to mind the beautiful sandy beach a stones throw from where you are sitting and is a perfect space for your morning coffee or tea. A personal safe and iHome dock with alarm clock are provided for your convenience.

The open plan air conditioned living area has a modern sleek kitchen with granite counter tops, double sink and all the modern amenities including full fridge, dishwasher, electric stove and oven. The living room is bright and spacious reflecting once again the colours of the ocean bringing in a bit of the outdoors inside. The chic decor reflects the ocean colours with a white sofa and arm chair, flat screen TV and iHome dock. The living area also has a sofa bed to accommodate a third person (children under 12 years are on request) and this room opens out to the spacious balcony where again you will be met by panoramic ocean views. Here is a large round teak table and 4 dining chairs with a seating area for 4 all in muted sand tones and a perfect place to watch the sun slowly setting. What makes this one bedroom unique is that you have more living space (over 300 sq ft more), there is a powder room and facility for washer/dryer. Throughout the apartment the white wood ceilings have recessed lighting adding to the bright and airy feel

Glitter Bay currently offers access to a communal pool, a concierge, tennis courts, restaurant and bar, on-site beach attendants and 24 security.
